5.	Depth of analysis	1
6.	Self-reliance of author	2
7.	Formal requirements: text, graphs, tables	2
8.	Language and stylistics	1

Comments and Questions:

I do appreciate the author's approach to work on the thesis: systematic, high personal motivation and involvement in the topic, active, careful and conscientious. Above my previous experience with other candidates. On the other hand, since a bad time planning the finalization was carried on under a time stress and this affected the final formulation of conclusions.

Conclusion: The Master Thesis is recommended for the defence.

Suggested Grade: **1**

Date: 12. 01. 2014
